Indian Knowledge Systems (IKS)

At ISBM University, the integration of Indian Knowledge Systems (IKS) reflects a commitment to preserving India's traditional wisdom while aligning with the vision of the National Education Policy (NEP) 2020. The university promotes IKS through seminars, workshops, and collaborations with institutions like Sanskrit colleges to introduce students to ancient literature, philosophy, cultural values, and sustainable practices. This initiative is particularly meaningful for tribal communities, as it helps connect their indigenous knowledge, traditions, and eco-friendly lifestyles with mainstream higher education. By linking tribal heritage with IKS, ISBM University not only safeguards cultural identity but also empowers tribal students to appreciate and utilize their ancestral wisdom in modern academic and professional contexts.
